Hou Koda District achieved Quality District status in 2011. A big thank you goes out to everyone involved with the district! All goals were met and we're beginning to work on the 2012 Journey to Excellence! It's all about improving the Scouting Program for everyone.

Scouts with Disabilities

The Scouting for Scouts with Disabilities Committee would like your units to participate in a survey so they can create an action plan of projects for 2012. The more responses, the more improvements they can make! This link will also be included in E-Crossroads.

It's time to Nominate Adult Leaders for Recognition – You have worthy recipients!

Also, please remember that the information you provide must be award specific. For example, if you are nominating someone for the Assistant Cubmaster of the Year Award, the District Awards Committee is primarily interested in what this person has done for their Unit as the Assistant Cubmaster. This person may also serve on the District Committee, or may have served on staff for a Council Program (Pow Wow, University of Scouting, etc.), or may serve in another capacity in another Unit. These activities do not directly apply to the award, but may serve as the tie breaker.

This award is based on the activity and advancements that were made during the year. Please be sure to list all Unit activity and advancements made.

Guiding Light: A Guiding Light is the volunteer in your Unit that most exemplifies Scouting Spirit in their actions and in their commitment to Scouting. The requirements to qualify for this award are at the discretion of each unit. Please provide unit number, nominee's name and phone number as well as nominator's name and phone number. However, each chartered organization can use either of two other options to celebrate this special day. An organization can adopt a specific Sunday to celebrate. In the instance of the United Methodist Church, Scout Sunday is celebrated on the second Sunday of February. It also is permissible for a local church to celebrate on the Sunday most acceptable to the pastor and congregation.

2013 National Jamboree

Baden-Powell's Vision

In 1916, Sir Robert Baden-Powell, founder of the Scouting movement, knew what success looked like for the 10th anniversary of Scouting. It was the sight of thousands of youth gathered together to celebrate. The jamboree was born! In his words, "The secret of its growth lies in that indeterminate force which we only know as the 'Scout Spirit,'" and grow it has!

Since 1937, more than 710,000 Scouts and leaders have shared the jamboree experience and hiked the trails, paths, and roadways at 17 national Scout jamborees. Now, after utilizing 7 different sites, the national jamboree has a permanent home - The Summit Bechtel Family National Scout Reserve!

The Summit!

National Scout jamborees are rich in tradition and history. The 2013 National Jamboree promises that and more. It will make history by being the first national jamboree at The Summit Bechtel Family National Scout Reserve, or The Summit (for short). And will establish new traditions, while embracing some old ones, as the permanent home for national jamborees.

And when not in use for national jamborees, The Summit will serve as the fourth operating national high adventure camp, a national camp school and training center. It will also host the 2019 World Jamboree.
